Article 6 – Inflation clause

1. The contracting parties have agreed that the Tenant is entitled to unilaterally increase the remuneration for the use of the Subject of the Contract for the entire period of the lease once (1x) per year in accordance with Article 1 of this contract by the rate of inflation for the previous calendar year officially declared by the Statistical Office of the Slovak Republic, as follows:
 - a) the remuneration valid as of December 31 of the calendar year will be increased as of January 1 of the following calendar year in accordance with the inflation rate announced by the Statistical Office of the Slovak Republic for the previous calendar year;
 - b) the supplement to the already paid remuneration for the use of the Subject of the Agreement for the past calendar year will be retroactively charged to the Sub-lessee in accordance with the rate of inflation declared by the Statistical Office of the Slovak Republic for the previous calendar year.

When adjusting the payment, the Lessee will be based on official data on the annual rate of inflation measured by the consumer price index published by the Statistical Office of the Slovak Republic on its official website. The Lessee shall deliver to the Sub-lessee a written notification of the increase in remuneration, and this increase shall be supported by documents from the Statistical Office of the Slovak Republic.
